HOMECREST™
OUTDOOR LIVING

Made in the USA • www.homecrest.com

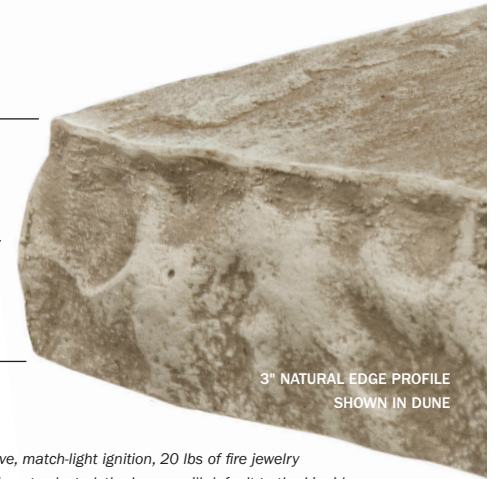

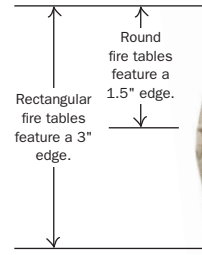

Inspired by the Southwestern quarries of the United States, Homecrest's natural-looking Sandstone fire tables provide a solid foundation for any outdoor gathering. These low-maintenance fire tables are full of beautiful, rough-hewn detail that will endure for years. Homecrest fire tables offer a powerful burner (up to 65,000 BTUs) and come standard with your choice of fire jewelry, as well as a secure key and black 3/4" aluminum fire burner riser.

AVAILABLE TOP COLORS

Note: Each top is individually handcrafted and will vary in color. Colors are representations, refer to an actual sample.
